The Sea Gulls (26-1) are ranked second in the nation and have enjoyed the finest season in school history. The Gulls enter the NCAA Tournament having claimed the Eastern States Athletic Conference championship last weekend and currently own the longest winning streak in the nation at 25 straight.

Andre Foreman has already been named the ESAC and ECAC's Player of the Year, and he is a finalist for the national honor as well. Foreman became the all-time leading scorer in NCAA Division III history three weeks ago, and also became the top scorer in Maryland collegiate history earlier this season. Dameon Ross has emerged as the team's top outside threat, and broke the single-game record for three-pointers with nine earlier this year. Senior Jamie Gosweiler set the all-time record for games played, and Coach Ward Lambert won his 300th career game last month.
